The Ghost Riding The Whip Association

Basic Info
Type: Just for Fun – Totally Random
Description: Ghost Riding Your Whip!

Proper steps to Ghost Riding The Whip:

1. Get stupid because of wild beats.
2. Let the car idle at a slow speed.
3. Jump out and start dancing ridiculously
4. Continue dancing while next to or on top of the car
5. Do this in front of clubs or other similar establishments.
(Note: The car is considered The Whip.)

A bit of History:

Ghost Riding the Whip is a term that I believe was coined in San Francisco. The poppin' Bay Area rap scene could only spawn something so "Hyphy". By the way, Hyphy is another San Fran term meaning wild, crazy, hype, or the shit, if you will. Therefore, ghost riding the whip is incredibly Hyphy.

Given the above, this is a group for all people who on one or more occasions have part taken in Ghost Riding The Whip or enjoyed thinking about it.

A tentative suggestion

- Facebook is a tool
- Useful for some tasks
- But also predictably dangerous
- A privacy-harming service is defective
- What if its maker were held responsible?
- Remember Google Buzz?
